TO OUR MANY FRIENDS AND CUSTOMERS

"PINK FANTASY"
(Fleming 1957)

"Purple Dome"
(Fleming 1960)

Hemerocallis
"RUSSELL'S MINUET"

We are pleased once again to present our spring catalog for your consideration.

Our new mum introductions for 1960 are two cushion mums: Gold Pillow, and Maple Mantle, and two decoratives: Purple Dome, and New Firebird.

We are happy to list a number of outstanding new perennials seen on our visits this past summer at the homes of their origination. Among these are: Pentstemon Prairie Fire and mum Mustang. Both are from Glenn Viehmeyer of North Platte Exp. Sta.

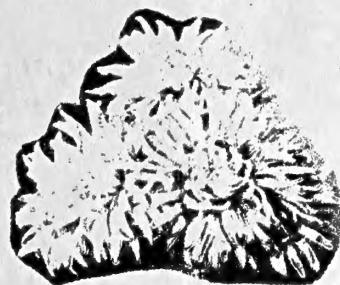

We have enlarged our sections on Shrubby Plants, Perennials, Miniature Roses, and added a new section of plants for Rock Gardens and Ground Covers.

We cordially invite you to view the colorful perennials on continuous parade in our fields from mid April thru a fall finale of Hardy Asters and Modern Mums.

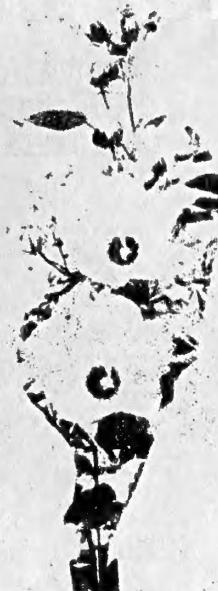

We wish to thank most sincerely our customers and friends for their interest and patronage. We will do our utmost to warrant your continuing loyalty.

Hardy Hibiscus
"Peppermint Stick"

" MUSTANG "

Hardy Hibiscus "Bright Eye"

Sincerely

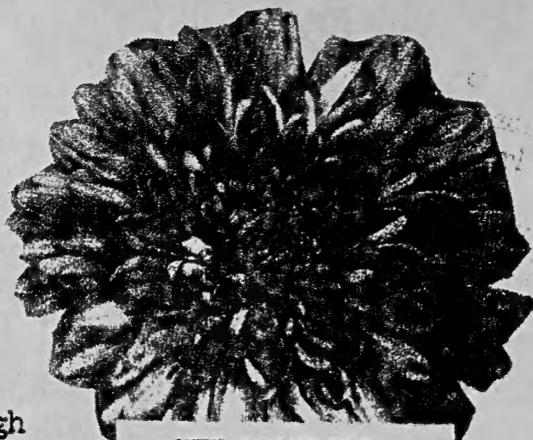

The Fleming Family

Something NEW

1960 FLEMING'S INTRODUCTIONS

Double Decoratives

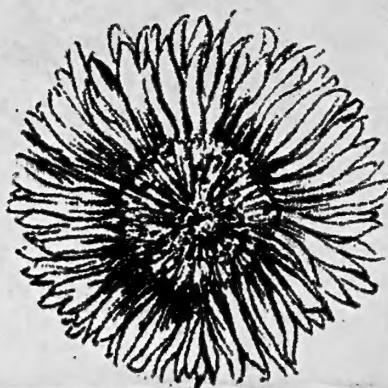

NEW FIREBIRD - A bit taller improved form of one of our 1956 varieties, "Fleming's Firebird". Sturdy upright plants 24-28" high and 24" across bear 3-4" flowers of deep crimson red. Reverse side of petals are a lighter fire red. (Fleming 1960) Flowers hold color well for weeks. Mid season

NEW FIREBIRD
80¢ each.

PURPLE DOME - Husky upright semi-cushion plants 18-24" high and 18-22" wide with myriads of fully double 3" flowers of amaranth-purple. An excellent garden subject and a fine cut flower sort. It resembles the All American variety "Flair" in form but the flowers are of a much deeper hue.

75¢ each

GOLD PILLOW
(Fleming 1960)

Modern Cushion Mums

GOLD PILLOW - The second of our new series of "anemone flowered" cushion mums. symmetrical 15" mounds loaded with yellow semi-double blooms with darker yellow crested "anemone" centers. The earliest of hardy mum we know of, blooming 2-3 weeks earlier than "pot'o gold". It was well received by local florists when grown as a pot plant, and was adjudged to be good by cooperating growers in our country wide test program.

75¢ each

MAPLE MANTLE - A superb early blooming cushion mum which was acclaimed both by our visitors and by the growers who tested it in other portions of the country. The perfectly formed mounds 12" high and 30" across, are covered with 2½-3" fully double blooms. The color is a glistening blend of bronze, copper and apricot hues. Blooms from mid Sept onward. The quantity is limited so please order early.

80¢ each

The exciting new chrysanthemums

MORE FINE NEW PERENNIALS WILL BE FOUND ON THE NEXT PAGE

ground covers and

MODERN PERENNIALS

for Rock Gardens

Iberis Alexander's Early

Ajuga BRONZE BEAUTY - A fine bronze ground cover ideal in front of yellow tulips and other yellow flowers. Mats of bronze foliage, deep blue flower in May and June. Thrives in shade also.	75¢ ea.
Alyssum Sax. Sunny Border Apricot - See new perennial section.	80¢ ea.
Alyssum Saxatile "Basket of Gold" - Low bushy, grey foliaged plants, a sheet of yellow flowers in May and June.	50¢ ea.
Arabis nana compacta Snowcap - A dwarf mat like plant - grey green foliage - loaded with white flowers in April. Ideal companion in front of tulips.	50¢
Arabis Alpina rosea - A fine pink form of <i>Arabis</i> .	55¢ ea.
Campanula POUFFE	See New Perennials Section
Dianthus : Mrs. Dinah Weller, Pinkette, and Tiny Rubies. See the Dianthus and Carnation Section.	

Euonymus

The following varieties of dwarf *Euonymus* are fine for evergreen ground cover material. They do well both in sun and shade.

<i>Euonymus Kewensis</i> - A real miniature "Evergreen Bittersweet". A bit slower growing, this is a real delightful small vine-like creeper doing well in full sun or shade. Try it for an evergreen ground cover around small statues, small pools, in rock gardens etc.	3" pots	80¢ ea.
<i>Euonymus Fortunei Minimus</i> - Small dark evergreen foliage - a bit larger in foliage and height than <i>Kewensis</i> . Clings to rough surfaces, walls, or fine for ground cover.	3" pots	80¢ ea.
<i>Euonymus Fortunei Coloratus</i> - (Purpleleaf Wintercreeper) Evergreen foliage that turns bronzy red in autumn and winter. Excellent ground cover for sun and shade.	3" pots	50¢ ea.
<i>Euonymus Radicans Aureo-Marginatus</i> - A definite green and white variegation for fine ground cover color all year. Small leaves not unlike <i>Kewensis</i> last all winter.	3" pots	80¢ ea.
<i>Geranium Lancastriense</i> - A choice rock plant 4" high - Rose pink geranium flowers all summer. A very hardy variety.		50¢ ea.
<i>Iberis Alexander's Early</i> - (Alexander) An early blooming, compact form of white hardy "candytuft". Compact plants 4-6" high, evergreen foliage covered with white flowers in early spring.		50¢ ea.
<i>Iberis Gibraltarica</i> - A bright blue-grey flowering variety of hardy candytuft, similar in form to the white varieties. May blooming.		50¢ ea.
<i>Myosotis Alpestris Indigo Blue</i> - A fine dwarf form of "forgetme not". A bright blue mound of flowers in May and early June.		50¢ ea.
<i>Oenothera rosea</i> - Myriads of 2" saucer-like blooms of soft rose pink arise on 8" stems from compact low growing foliage rosettes - summer flowering.		50¢ ea.

Phlox Subulata

The very popular spring blooming moss phlox is so showy in rock gardens and borders in April and May - Fine in front on Tulips.

<i>Alexander's Surprise</i> - Bushy 6-8" high plants - large rosy pink flowers with red eyes. Blooms again a bit in the fall.	50¢ ea.
<i>Blue Hills</i> - Fine evergreen foliage, bright lavender-blue flowers.	50¢ ea.
<i>Emerald Cushion Pink</i> - Excellent evergreen foliage - br. pink flowers.	50¢ ea.
<i>Fancy Free</i> - Excellent rose pink newcomer - see New Perennial Section.	80¢ ea.
<i>Intensity</i> - Evergreen foliage mounds hidden with large bright cerise.	55¢ ea.
<i>Scarlet Flame</i> - (new) The reddest of the creeping phlox to date. Mounds of rich ruby scarlet flowers. A real favorite here.	60¢ ea.
<i>White Delight</i> - (Alexander) The best glistening snow white variety we know of. Rich dark evergreen foliage mounds covered with white.	50¢ ea.
<i>Plumbago larpentae</i> - Dwarf spreading plants 6-8" high up to 18" across loaded with bright blue flowers mid summer thru fall.	50¢ ea.

MORE GROUND COVER PLANTS AND PERENNIALS FOR ROCK GARDENS

Salvia Tricolor - A low bushy plant with colorful leaves, mottled green, white, and plum red. Spikes of bright blue flowers in summer. 60¢ ea.

Thymus aurea marginata - A dwarf very prostrate, creeping perennial. Tiny, fragrant foliage, the tiny leaves of dark green are edged with gold. An ideal subject for full sun in rock gardens and in between stepping stones 65¢

Verbena - A very hardy creeping mat of dark foliage loaded with bright rosy lilac blooms from early June on through early fall. 50¢ ea.

Color in Shade

MORE GROUND COVER PLANTS AND ROCK GARDEN PLANTS WHICH THRIVE IN SHADE.

Arctostaphylos uva-ursi ("bearberry") An evergreen trailing plant for covering rocks, excellent for holding soil once established on sloping shady banks. Loves sandy soil. Vines covered with numerous white flowers and bright red berries in autumn and early winter. 80¢ ea.

Baltic Ivy - Thorndale - Ideal ground or wall covering material for that difficult shady location. Glossy evergreen foliage is smaller and plants are much hardier than Boston Ivy. 50¢ ea.

Ivy Sweetheart - a real honey with heart shaped leaves - see New Perennials.

Double Lily of the Valley - A rare form of this favorite fragrant flowered plant. Strong stems of stiff textured double waxy white bells. 60¢ ea.

Polygonum Reynowtria - A fast growing very hardy ground cover 6-10" high. Sprays of airy pink flowers in fall. Leaves turn brilliant red in fall. 70¢ ea.

Vinca Minor Bowles Variety - Fine for those spots too shady for grass etc. Vines of rich glossy broad evergreen foliage. An ideal matty ground cover. Rich blue flowers in spring and summer.

HARDY SHRUBS

Buddleias - "Summer Lilaes" or "Butterfly Bushes"

Produce a profusion of long fragrant spikes, beautiful for cut flowers or on the 4-6Ft bushes from July till killing frosts.

Buddleia Charming - Long spikes of a lovely lavender pink. 50¢ ea.

Buddleia Floralart - One of the best in the newer large spike varieties.

Spikes of a bright orchid lavender. 50¢ ea.

CARYOPTERIS - "Blue Spirea"

Charming semi-dwarf plants, doubly valuable for their late summer early fall blooms and for their bright blue spikes of bloom for cutting, a color rare at this season of the year in gardens.

Caryopteris AZURE (new 1959) See new Perennial Section for this dark variety.

Caryopteris DARK KNIGHT (New - Bohlender) See the New Section on Perennials for this the deepest "blue Spirea" we have seen.

Caryopteris Blue Mist - Bushy plants 24-36" high gracefully covered with powdery blue flowers on long stems from August on.

50¢ ea.

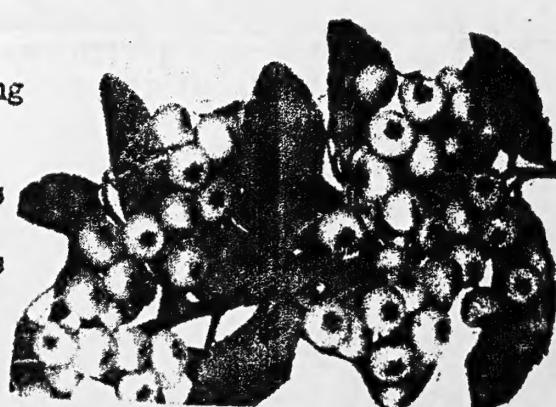

Euonymus Manhattan - A fine new very hardy wi originating in Manhattan Kansas at Kansas State Uni. A bushy upright shrubby plant with fine glossy evergreen foliage, leaves don't suffer winter burn in our area as do some varieties. excellent material for hedges or planted as singles. 3" pots 80¢ ea.

Miniature Roses - See the Special Section on MINIATURE ROSES.

Pyracantha Firethorn

One of the most beautiful of the evergreen fruiting shrubs. These shrubby plants of handsome dark foliage masses are covered with trusses of white flowers in spring and brilliant orange-red berries in fall and winter. One variety listed can be trained in vine-like growth against a wall, others trimmed for a hedge or grown informally.

Plants we offer are heavily rooted, well branched pot plants which should start bearing the second year after planting.

PYRACANTHA KASAN

HARDY SHRUBS

PYRACANTHA *Kasan* A somewhat dwarf variety, and a very winter hardy variety coming through in fine shape here. Brilliant orange-red berries. \$1.50 ea.
PYRACANTHA *coccinea Islandi Thornless* A marvelous plant for foundation planting. The long shoots can be trained in vine-like fashion over a doorway, under window casing etc. A fine, hardy, thornless variety. \$1.50 ea.
PYRACANTHA *coccinea pauciflora* A fine low growing variety which survives our extreme weather conditions very well. Bright orange-red berries. \$1.50 ea.
TEUCRIUM *CHAMAEDRYS* - Excellent perennial material for use as a glossy evergreen formal or informal hedge 8-12" high. Its dense habit, throwing myriads of stems allows trimming into a neat low hedge for use around flower beds etc. Ideal as replacement for boxwood in areas with rough winters. 75¢ ea.
Santolina *Incana* - ("lavendar cotton" or "ground cypress") An excellent edging plant, with distinctive wooly grey foliage. A dense growing bush 12-15" high. Trim a row of plants formally for a hedge, not trimmed they form a ground cover. Ideal in a sunny dry border. 80¢ ea.
Santolina *Veridis* - Another excellent variety of Santolina similar in plant form - form foliage is a dark rich green.
Vitex *macrophylla* - (Chaste tree) A graceful shrub with attractive spikes of lovely lavender-blue flowers. Blooms profusely from July till fall. Grows to height of 6-8ft. high if not pruned back. 80¢ ea.

FLEMING'S Giant Super Hardy Hibiscus

The hardy Hibiscus are among the showiest of the summer flowering perennials. Ideal for the background in the border. Bushy, graceful, showy plants 3-5' high and 3-4 ft. across bloom mid July through late August.

✓ Alexander's Red (Alexander) Seven to nine inch flowers of bright rose-red. A very hardy variety. 75¢ ea.

✓ BIG RED (Fleming 1957) Huge velvety crimson red flowers measuring up to 10" across. petals are often attractively ruffled. \$1.50 ea.

✓ BRIGHT EYES (Fleming) Large glistening white flowers with striking crimson red eyes. Flowers bowl shaped and stiff textured. \$1.00 ea.

CRIMSON GLORY (Fleming 1959) The first of our new unique series of cut leaf varieties. Plants are red stemmed and leaves are small and attractively cut to resemble maple or oak leaves. Blooms 6-8" across, bowl shaped, of rich crimson red. Plants are shorter, more slender than many varieties. \$2.00 ea.

LOVELINESS (Fleming 1957) Large shallow bowl shaped blooms of soft silvery lavender-pink with no dark eye. \$1.25 ea.

Mrs. J. H. Alexander (Alexander) Large flowers of pure white with red eyes. 75¢ ea.

✓ PEPPERMINT STICK (Fleming 1957) Huge flowers of white overlaid with soft pink edging and with dark red eyes. The pink edge becomes more pronounced on cooler days. \$1.25 ea.

✓ PINK PERFECTION (Fleming 1960) See New Perennials Section.

SNOW BOWL (Fleming 1957) Large pure white with no contrasting eyes. This is a rarely offered form as most hardy white hibiscus have red eyes. Flowers are saucer shaped and stiff textured. \$1.25 ea.

MIXED SHAEDS IN HARDY HIBISCUS - white, pink and red shades 75¢ ea.

ALL PLANTS OFFERED IN THE ABOVE VARIETIES OF HIBISCUS ARE LARGE TWO YEAR OLD ROOTS. THEY BLOOMED NICELY IN 1959. THEY WILL PUT ON A SPLENDID SHOW in 1960

<u>PENTSTEMON INDIAN JEWELS</u>	(Flathead lake hybrids) A new race of hybrid pentstemon. Large spikes of tubular flowers in a wide range of colors, including shades of pink, red , violet, purple. Blooms from June until fall.	60¢ea
<u>PENTSTEMON REGALITY</u>	(Fleming 1956) Heavy spikes of large rich reddish-purple flowers on stiff upright plants. Blooms are produced continually from June until fall. This is not as hardy as Indian Jewels thus requires some winter protection in northern states.	60¢ea
<u>PLATYCODON</u>	Double blue broad bell shaped flowers on 20" spikes are produced all summer -- a very colorful border plant.	50¢ea

Sturdy Hardy Perennials

GENERAL PERENNIALS

SEDUM MAXIMUM ATROPURPUREUM *- The mahogany plant - so named because of its foliage - plump leaves of rich mahogany red overlaid with bronze-purple. Large heads of creamy rose flowers in late summer contrast nicely with the ebony hued stems. A excellant item for arrangements as the flowers last well when cut. 65¢ ea

SEDUM TELEPHIUM, INDIAN CHIEF - SEE NEW PERENNIAL SECTION

VERONICAS * One of the most satisfactory groups of border perennials.

ICICLE - The best glistening white we know of in veronicas. Sturdy gracefull plants with glossy foliage bear an abundance of spikes of pure white flowers 15-18" high from mid - June up into fall. 50¢ ea

Minuet - Attractive gray-green foliage mounds with spikes to 15" high of medium pink flowers. 50¢ ea

PINK SPIRE (NEW) The best tall pink veronica. Long spikes of lovely pink flowers with red anthers -- blooming in late summer months. Attractive grey green foliage. 60¢ ea

IRIS SPURIA

OCHROLEUCA GIGANTEA - A stately garden plant and a beautiful long lasting cut flower. The flowers have pure white standards while the falls are yellow with a quarter inch margin of white. 50¢ ea

OCHROLEUCA GOLDEN NUGGET - Very good cut flower - a fine golden yellow selection from this type. Also grows to the height 5'. in good rich moist soil. 65¢ ea

Sturdy, versatile chrysanthemums deserve a spot in every garden

clematis

The large flowered Clematis are generally considered to be the most colorful of the vines. When grown on a trellis, fence, arbor or porch they are truly gorgeous. Plant in a well drained location. They enjoy an abundance of water providing the soil is really well drained. The pot plants should be planted 3-4" deeper in ground than pot level as failures often result from too shallow planting. A spot which is shaded from the hot afternoon sun is best.

CRIMSON STAR - A spectacular grower with large rich garnet-red flowers.

A very free flowering variety from July to Sept. \$1.45 ea.

HENRYI - Immense pure white flowers are produced in profusion throughout the summer months. \$1.40 ea

JACKMANI - An all time favorite. Vigorous grower with large glowing purple blooms. A very hardy variety growing to 8-10 ft. high. \$1.40 ea

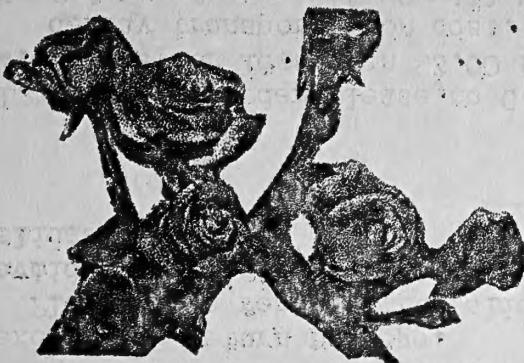

MME. BARON VEILLARD - A truly lovely sort, large pastel toned flowers of a warm lilac-rose. An extremely strong grower. \$1.40 ea

NELLY MOSER - The earliest clematis to bloom. blooms right after the darwin tulips and on through summer. Color is mauve-pink, each petal has a red center stripe. \$1.40 ea

RAMONA - A country wide favorite in a medium blue. Flowers are exceptionally large, a stiff textured flower. Free bloomer from July on. \$1.40 ea.

miniature roses

Enjoy outdoors this summer and indoors next winter

These little charmers are excellent in the rock gardens, as low border plants or as house plants. They start blooming in May and continue throughout the summer and early autumn. Plant in a well drained sunny location. Occasional spraying with the spray used for other roses will keep them clean.

PRESUMIDA - a bi-color

BABY GOLD STAR - Tiny fully double blooms of bright yellow. \$1.15 ea.

JULIETTE - A free flowering sort, 1" flowers of crimson red. \$1.00 ea.

LILAC TIME - Fully double blooms of soft lilac-pink to lt. red. \$1.25 ea.

POLKA DOT - The FINEST of all pure white minatures. \$1.25 ea.

POMPON de PARIS - Neat compact plants with a profusion of small double pink blooms. A free bloomer for forcing as a winter pot plant. \$1.15 ea.

Presumida - A cute fully double bi-color sort. Similiar in color to the famous hybrid tea rose Talisman. \$1.15 ea.

TOM THUMB - Tiny deep crimson buds opening a slightly lighter shade with white blotches at base of each petal. \$1.25 ea.

WHITE FAIRY - A fine double white with a tinge of pink. An excellent one for forcing as a winter pot plant. \$1.15 ea.
